

Area 1 – El Prado West

Exhibits will be on the grass on the north and south sides of El Prado. No electricity.

Area 2 – El Prado East

Exhibit space is on the lawn. The parade passes through this area in the morning. No electricity.

Area 10 - Plaza de Panama Exhibits

Exhibits will be in the north and south ends of the parking lot, south of the Museum of Art. The parade passes through this area in the morning. Exhibits are on asphalt parking lot. Electricity available.

Area 3 – Children’s Area

All exhibits in this area address children or children's issues. Special preference to educational and hands-on activities for kids.

Area 4 – Mall Exhibits

Exhibits will be on the grass on the east side of the mall, generally from the statue of El Cid to the Organ Pavilion. Exhibits are on lawn. No electricity.

Area 5 – Organ Pavilion Exhibits – NEW!

This new exhibit area is across from the Organ Pavilion. No electricity.

eARTH Gallery – Environmental Art

Area 6 – U.N. Building Exhibits

Exhibits will be on the lawn areas in front of the U.N. Building and House of Pacific Relations. Because of some shade trees, preference will be given to exhibits with animals or animal-related subjects. No electricity.

Area 7 - Pan American Plaza Exhibits

This area includes the eHome and Alternative Fuel Vehicle exhibits. Exhibits are on asphalt parking lot. Electricity available.

Area 8 - Federal Bldg. Exhibits

Exhibits will be on the lawn on the north-east side of the Federal Building. No electricity.

Area 9 - Presidents Field Exhibits

All food sales must be in this area. Exhibits are on lawn. Electricity available.
